**Easy to Maintain**  
Spills and messes are easily wiped up with a damp mop. Highly stain resistant.

**Gap Resistant**  
Super-tight, patented Uniclic® joints prevent ugly gaps and keep floors resistant to surface water.

**Warm & Quiet\***  
Warm to the touch and quiet in the room and the room below with noise-dampening CorkPlus™ attached underlay.

**Peace-of-Mind Durability**  
A beautiful floor that stands up to life and everyday mishaps. Great for basements, kitchens and bathrooms.

**Clean and Healthy**  
We follow some of the most stringent indoor air quality standards in the world. Cork is hypo-allergenic and insect resistant due to a naturally occurring substance in cork called Suberin.

**FSC (Forest Stewardship Council®) Certified.**  
It is good to know the cork used in manufacturing comes from responsibly managed forests.

**Renewable Cork floors are made without cutting down cork oak trees.**  
Cork bark is carefully harvested, once every nine years, in a centuries-old tradition with hand tools, a process that ensures forests will remain undamaged.
